WORDS OF WISDOM

*He left the past year's dwelling for the new,
Stole with soft step its shining archway through,
Built up its idle door,
Stretched in his last found home, and knew the old no more.*

— Oliver W. Holmes

Once again it is a pleasure to congratulate the Nunun-dah Staff, Mrs. Lombard, faculty advisor, and Mr. Carruba, art instructor, for the publication of an outstanding yearbook.

These are not idle thoughts. I believe this fine educational endeavor truly represents the new era of growth which we are now experiencing in the Smethport Area High School.

The live and devoted teachers who compose the faculty of this high school are sharing many and varied educational experiences. The physical and psychological environment so conducive to proper learning is being evidenced beyond expectations in this fine new building.

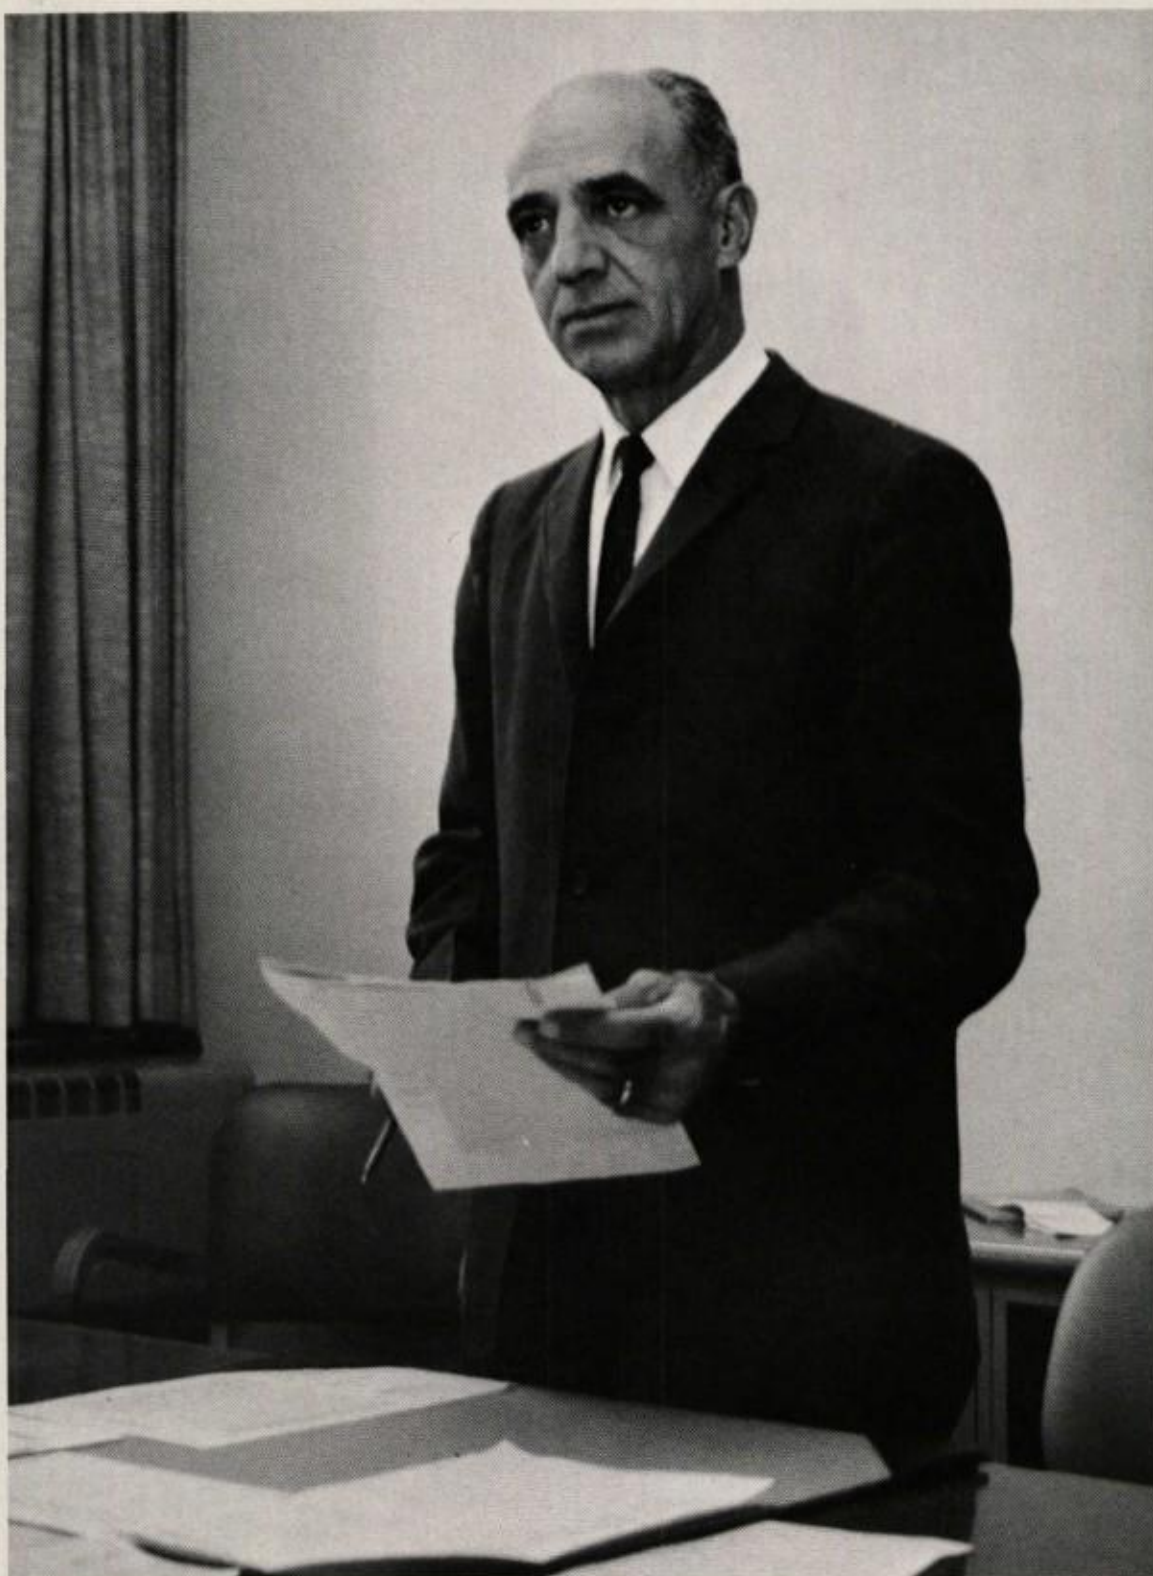

Our Nation as brought forth in the recent election, must always be a nation of responsible individuals. This is personal with each individual; however, a responsible person is a well educated person. The good school, therefore, is an institution which puts forth a maximum effort to give every prospective citizen that quality education so necessary to a rich, full life.

Each year I can well say we are improving and moving a little closer to attaining this ultimate objective.

HIGH SCHOOL PRINCIPAL

Mrs. Esther Herriman

Fred Zampogna

FROM THE DESK OF MR. ZAMPOGNA

I am happy again to congratulate the sponsor, editor and staff of your year-book, The Nunundah. This publication is a permanent record of happy contacts and pleasant experiences. It truly represents the Smethport Area High School and its students, and serves as a memorial to a complexity of delightful personalities.

I sincerely hope that you are still imbued with an urge to realize and perpetuate your plans.

This is the quality and strength of the class of nineteen hundred and sixty-five.

SENIOR CLASS OFFICERS

William Ford, Co-President; Thomas Hanson, Co-President; Bonnie Bryington, Secretary; Kathleen Mayo, Co-President; Robert Wassam, Treasurer; James Hauck, Co-President.

Our "Alma Mater" has given us many happy memories which we shall cherish for the years to come.

As we look back, we can remember the first time our class was together as a group—the Harrisburg trip, including a tour of the Gettysburg Battlefield and Hershey Park and a visit to the capitol building.

We were new to a new school as freshmen and proud to be the first freshman class of Smethport Area Junior-Senior High School.

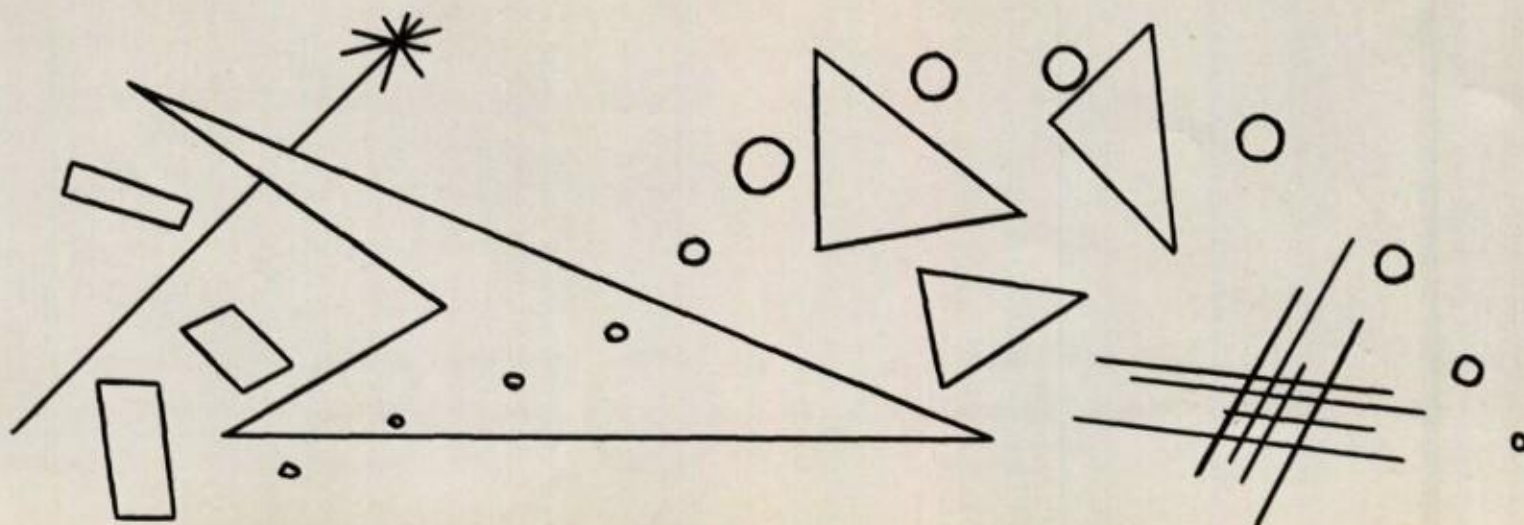

The Sadie Hawkins dance highlighted our sophomore year. A rustic atmosphere was lended by the persons of Lil' Abner, Daisy Mae and Mamm and Pappy Yokum; and the dance was a great success. "Blue Hawaii", our colorful homecoming float, won second prize.

Our Junior year we received our anxiously awaited class rings. "Bowling 1908" was our entry in the Homecoming

parade. We were filled with pride on May 9, 1964 when we unveiled "Grecian Odyssey" as our lavish prom theme.

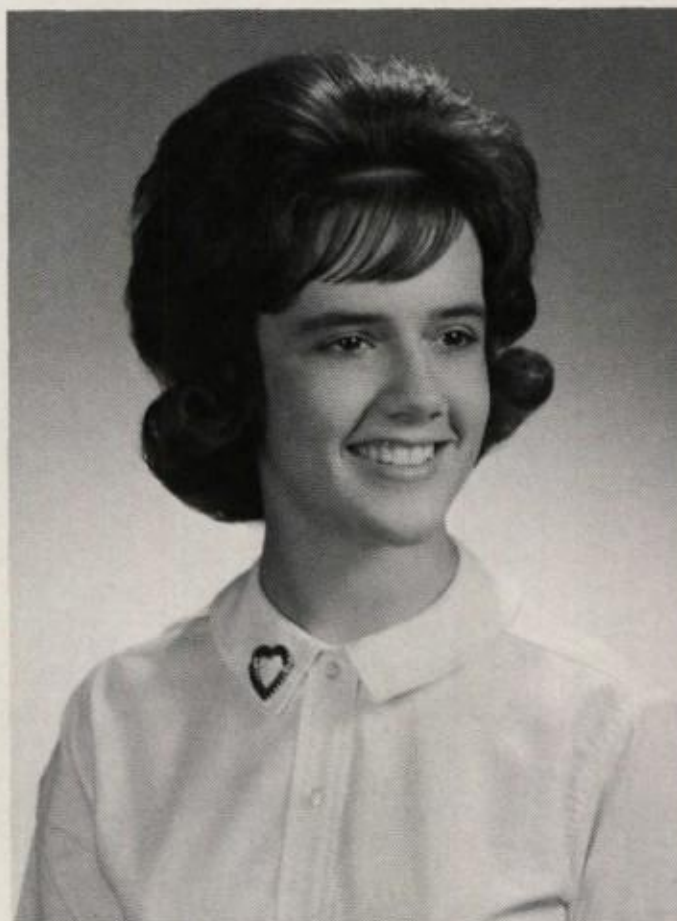

Proud of our past accomplishments as a class we entered our last year. We were expectant of a successful senior year, and all our hopes were fulfilled. Our Christmas Ball was a great success. Our trip to New York City, financed by three class projects—magazine sales, the sale of Christmas items, and the class play, was a memorable experience. We were especially fortunate to be able to attend the New York World's Fair.

Awards night, class night, baccalaureate and, finally, graduation will be the last events of our senior year. We shall never forget the wonderful class spirit that carried through all our years together. Soon, however, our ways will part, and the time will come to say good-bye to our "Alma Mater".

September, 1964 marked the beginning of our junior year at Smethport Area High School. Those chosen to lead our class through our eventful year were the following officers: President, Rowena Fay; Vice-President, Robert Cosper; Secretary, Julie McKeirnan; and Treasurer, Donna Armstrong. Our student council representatives are Barbara Chase, Gloria Wright, Robert Cochran, and Philip Griffin.

Due to the hard work of the class members, we have been very successful with our floats for the Homecoming parades throughout our high school years. In the eighth grade, we took first prize with "The Twilight Zone". In our sophomore year we won second prize with "The Burning of the Court House."

We have been very fortunate in having very helpful class sponsors. This year's are Mr. Gates and Mr. Bucarelli.

With hard work and sincere effort, we shall have a successful and unique Junior-Senior Prom. As our senior year approaches, we are looking forward to our New York trip and graduation.

Junior High School Life for the class of 1967, which will be the first class to go through all six grades in our new school, has passed smoothly. Now, in the first year of Senior High, our class is doing very well. As in the past, the class is represented in a great many activities. Mr. Romani and Mr. Valenti are our capable sponsors.

The first major class activity we had was the 8th grade Harrisburg trip. This trip was financed by the sale of items by the students. Third prize was won by our homecoming float that year.

During our high school years, the class has given many dances. This year, according to tradition, we sponsored the Sadie Hawkins dance.

The class is proud of the first prize it won for its homecoming float "World War III".

The prom and other activities lie in our future.

The student council members are John Hertlein, Carl Nelson, Susan Brown, and Roi Ann Gustafson.

FRESHMAN CLASS

OFFICERS

Theresa Jarrett
President

Clara Parker
Vice-President

As we, the Freshman class, end our last year of Junior High School, we have many wonderful memories.

In the seventh grade, we had the experience of having different teachers. With the help of our class advisors, Mrs. Francisco and Miss Randall, we held three successful dances and entered a float, "Mashed Potatoes", in the annual Homecoming parade.

Last year, we sold candy, cookies, stationery, Easter rabbits, Seneca Highland newspaper subscriptions and S.A.H.S. pins to help finance our trip to Harrisburg. Our big money-raising project that year was our movie, "Spencer's Mountain", which was a great success. The trip was enjoyed by all, and we feel our hard work was well worth the effort.

This year, we entered "Smethport the College Town" as our float in the Homecoming parade. Laura Lee Burdick was our attendant on the Queen's Court. The big event for us was the annual Thanksgiving dance.

Our class officers this year are: President, Theresa Jarrett; Vice-President, Clara Parker; Secretary, Donna Rossi; and Treasurer, Brenda Michielson. Cathy Donovan, Sabina Fay, Jack Mead, and Milton Wright were chosen as our Student Council representatives. Our capable class advisors are Miss Himes and Mr. Cimbal.

We are looking forward to our future activities, the Sadie Hawkins dance, the prom, the New York trip, and graduation.

EIGHTH GRADE

Babette Smith
Secretary

William Murphy, a newcomer to our midst, was elected class president for the year '64-'65. He is ably assisted in his duties by Deborah Grolemond, vice-president, Babette Smith, Secretary and Edward Housler, treasurer.

Serving the class on student council are Roger Nick and Barbara Smith.

Thanks to the co-operation of our parents, we are financing our Harrisburg trip through class dues instead of sales projects.

Our contribution to the Homecoming Parade was "Mayor of Smethport 2,000 A.D." and he was literally blown out of office by the wind and rain of that night.

SEVENTH GRADE

Terry Lopus
President

Andrea Bruner
Vice-President

Patricia Griffin
Secretary

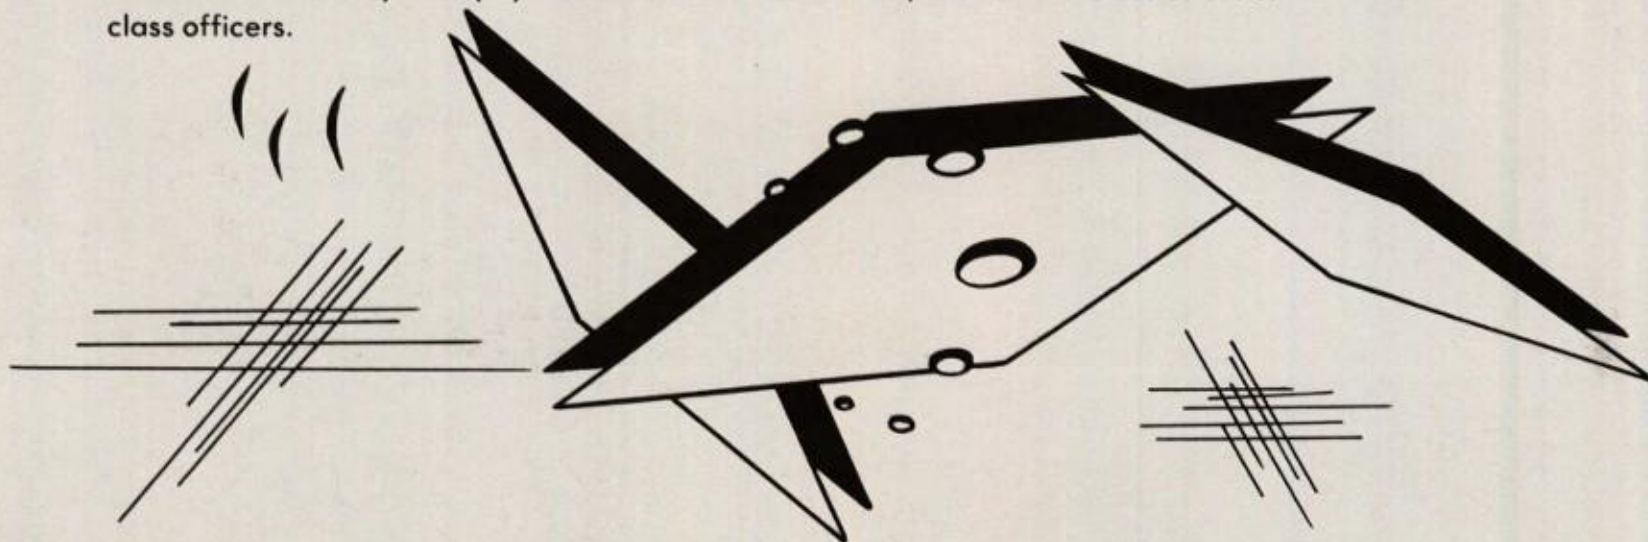

Jeffrey Murphy
Treasurer

This year's seventh grade is smaller than those of recent years but promises to make a real contribution to the Smethport Area Joint High School.

Their elections were not conducted as popularity contests. Cheryl Rogers and Tony Segulin were chosen as representatives on the Student Council, and Terry Lopus, Andrea Bruner, Patricia Griffin and Jeffrey Murphy were elected as class officers.

The class did a fine piece of work on their float, "Wheels of Learning — 1999" for the Homecoming Parade. Their first dance on October 31, 1964, was quite successful.

In future years at Smethport Area High School, they hope to continue in the fine spirit of cooperation they have shown so far. We can surely be proud of the Class of 1970.

SPECIAL EDUCATION CLASS

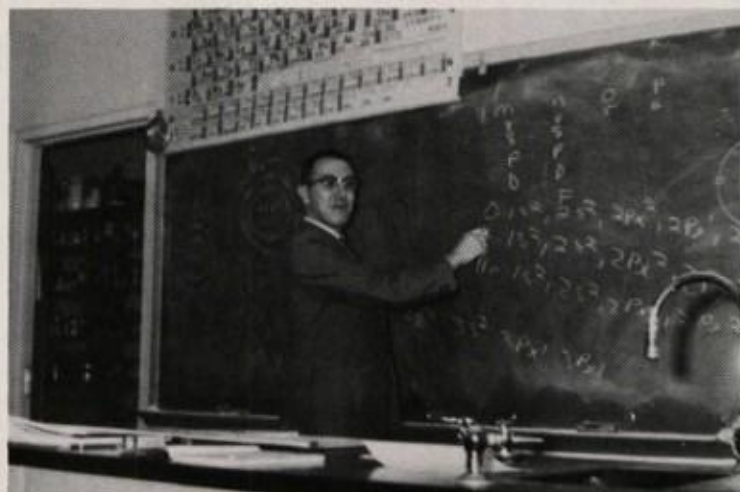

The Special Education Class has a unique function in our high school community. It provides an opportunity for students who have had or would have difficulty with various subjects in other classes by giving them an opportunity to work at the level and speed best suited to their abilities. Each student receives instruction on an individual or small group basis in English, Arithmetic, Spelling, Social Studies, Reading, Health and Science, and Citizenship. Senior High level students may enroll in the vocational agriculture or vocational home economics courses. Junior High students take industrial arts and home economics. All students take art and music from faculty members in those departments.

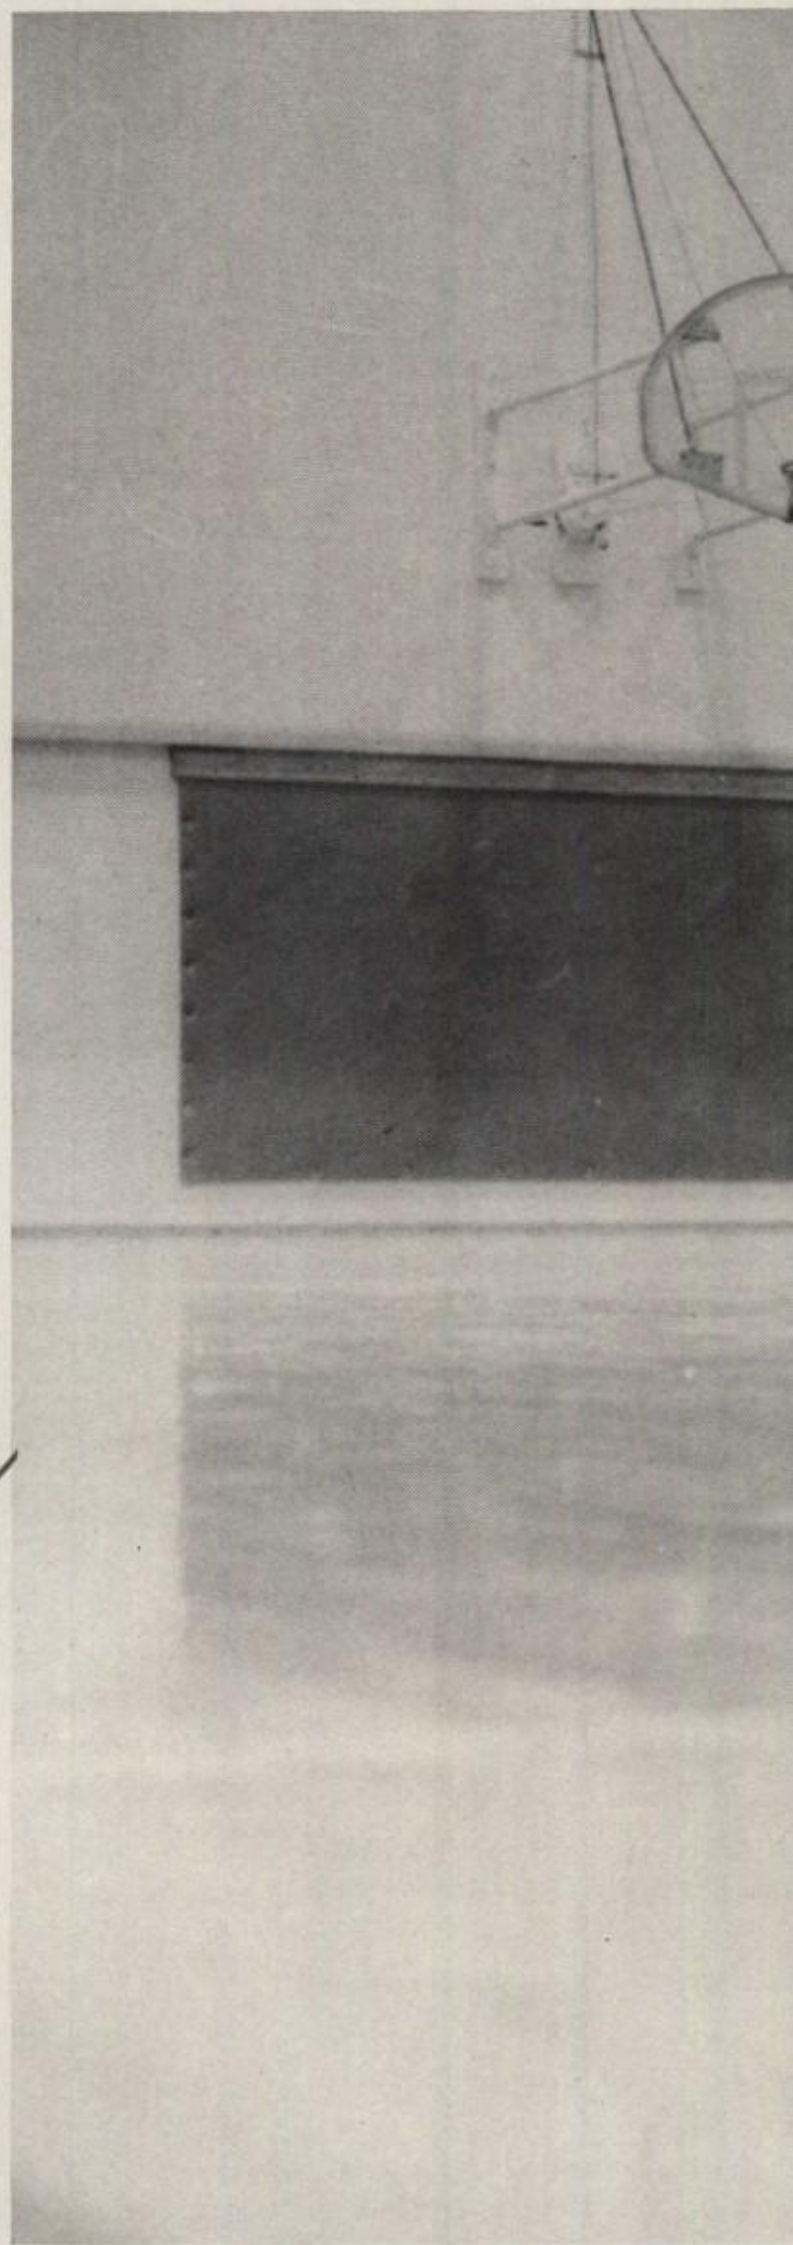

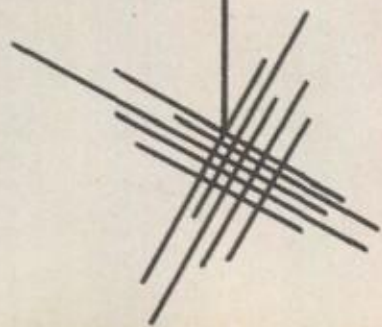

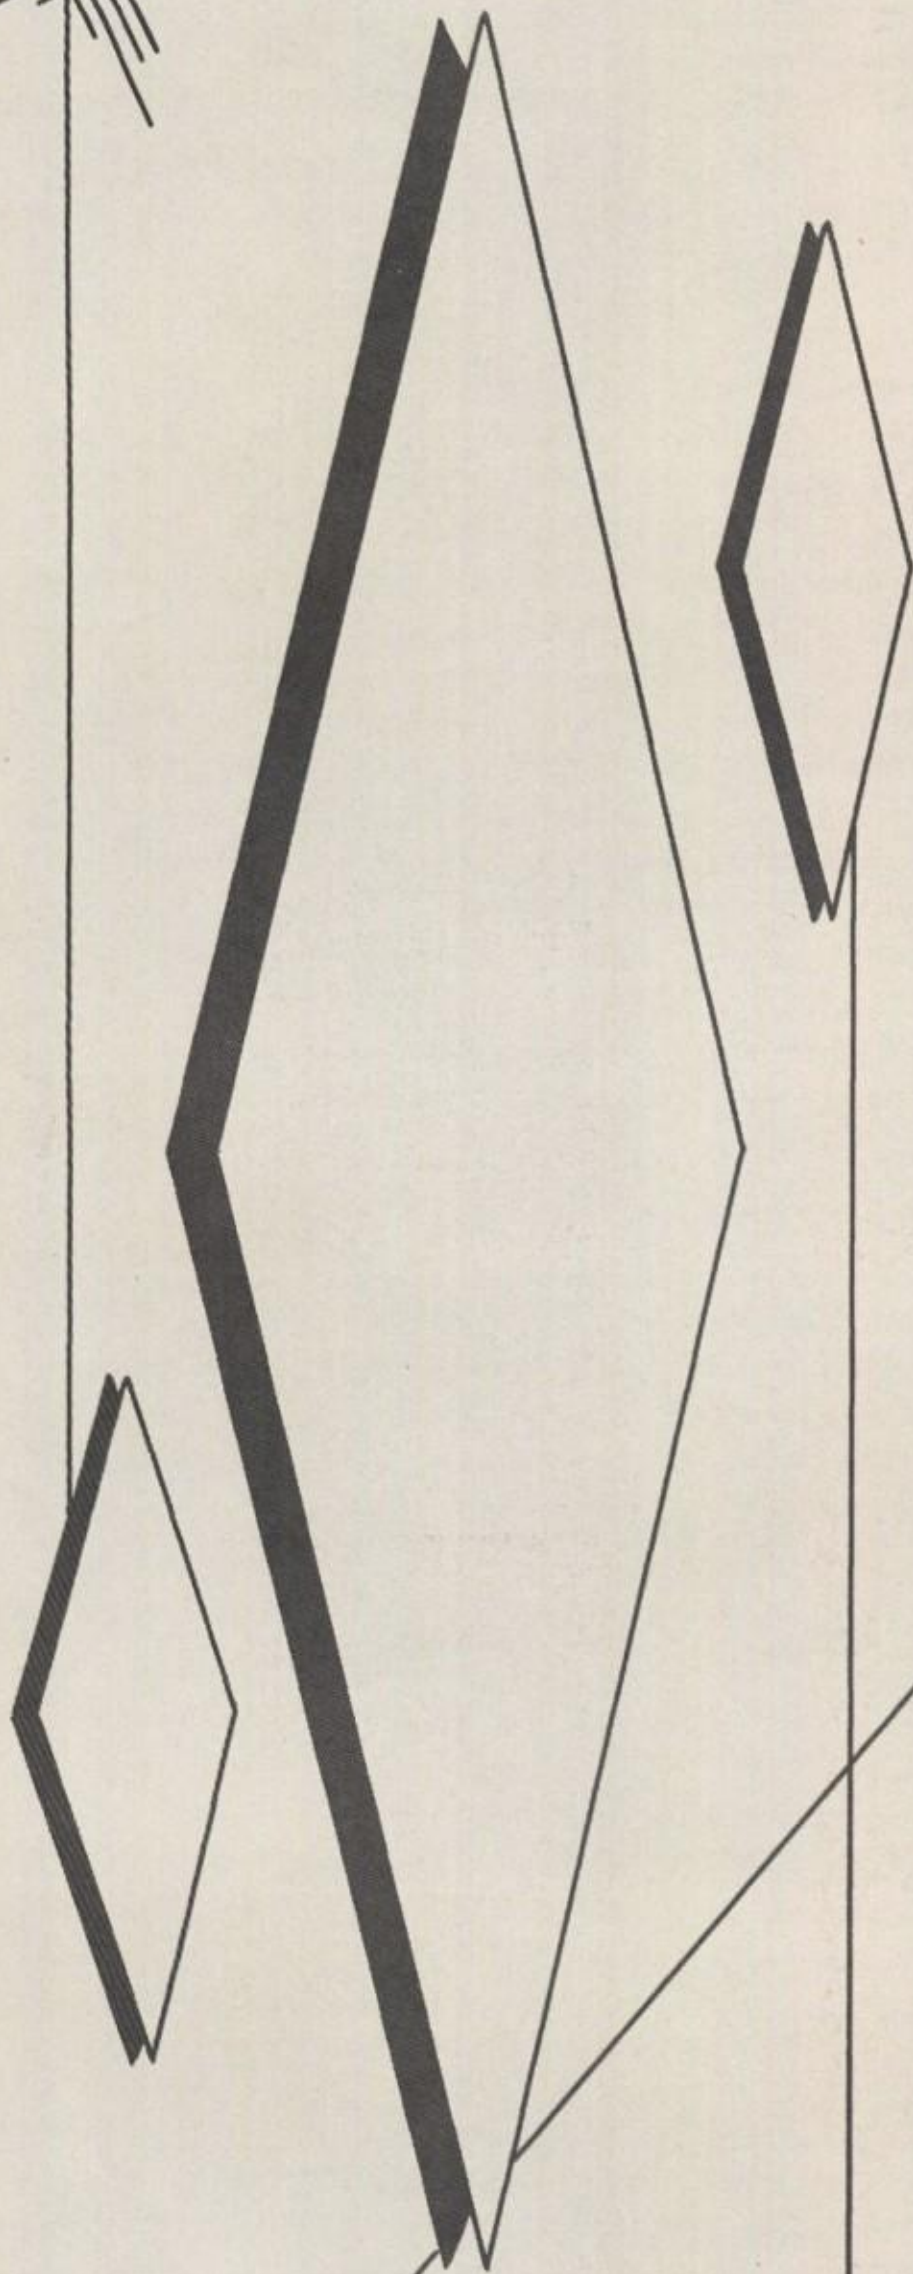

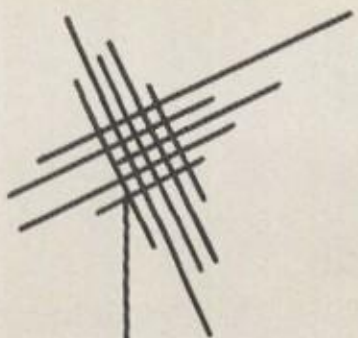

There are seventeen students in the Special Education class, including four seniors who will graduate this year.

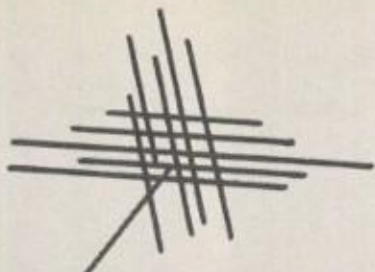

During each school year, we make several field trips to various local points of interest; have many classroom projects; and, finally, a class picnic on the last day of school.

The Special Education class is a class of opportunity and we are proud to take part in it.

Special Education students are shown with their respective classes.

Rated as one of the top high school football teams in Western Pennsylvania by the pre-season school-boy football mentors, the Hubbers of Smethport Area High School proved their predictions to be justly made, by losing only two games out of nine. The only two losses were inflicted by teams that finished the season undefeated.

The opening loss to Bradford Central Christian was a heart-breaker for everyone. On fourth down and long yardage, with the score tied at 7-7, the Ramblers scored the winning touchdown on a freak play, pulling out the game with a 13-7 score.

After this opening loss, the Hubbers really got going with wins over Coudersport, 26-0, and Otto-Eldred, 52-13, before losing another heart-breaker to Sheffield, 13-6. In the fourth quarter, with the score standing at 7-6 in favor of Sheffield, the Wolverines scored from one yard out for the deciding touchdown. This loss meant the Allegheny Mountain League title went over to Sheffield.

Following this loss, the Hubbers were to lose no more. They went on to win over St. Marys, 18-12; Ridgeway, 33-12; and over Port Allegheny, our arch-rival. In the fourth quarter, after having stopped themselves most of the game, the Hubbers finally scored the winning touchdown in the early minutes of the fourth quarter to win going away, 6-0. This win was the third in a row over Port for Coach Donovan's Hubs, the only time in the history of this great rivalry.

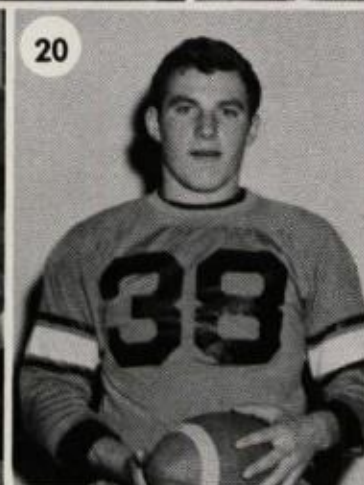

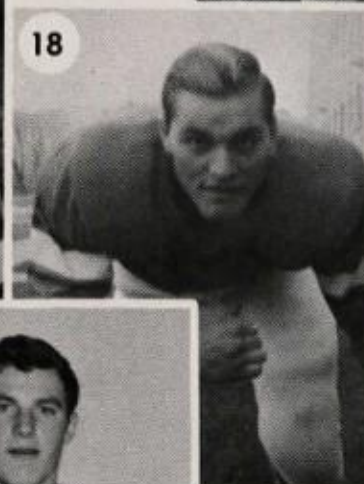

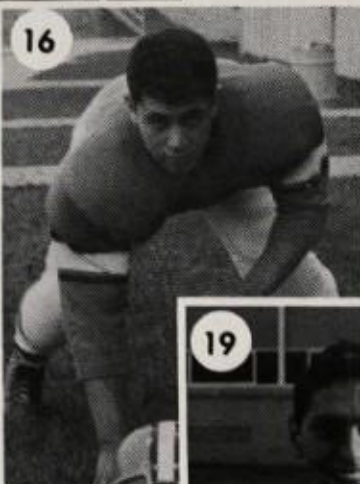

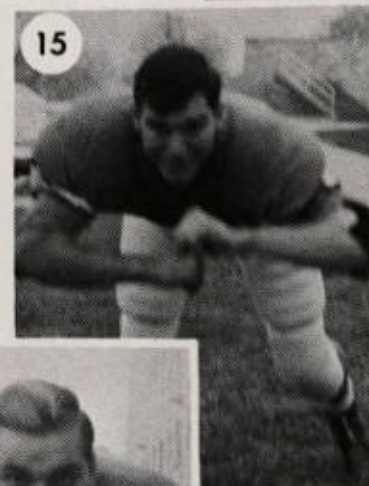

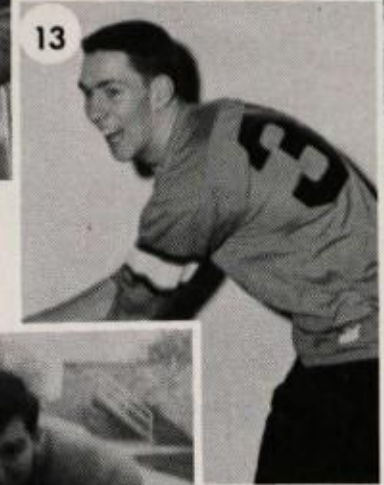

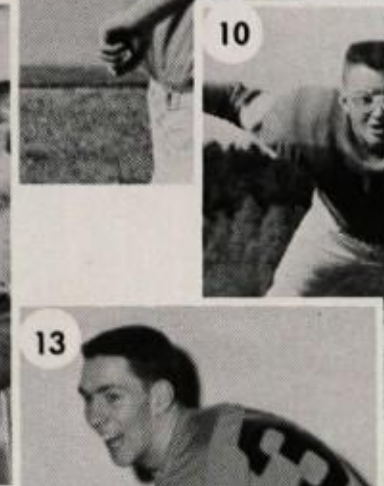

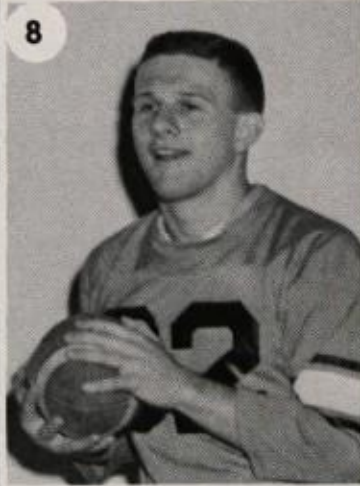

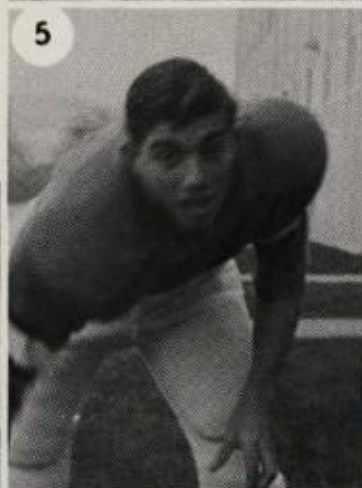

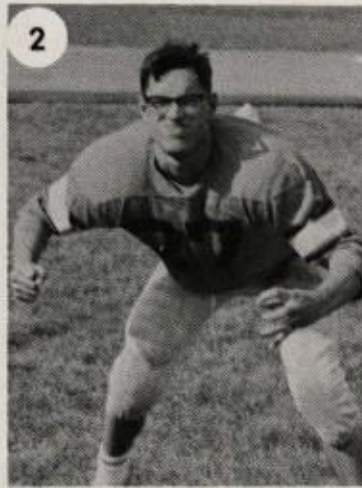

Coaches Jim Donovan, Clarence Strable, and Neil Bailey had good reason to be enthusiastic about the coming football season as there were seven veterans of two previous seasons plus four other lettermen from the previous season returning to the squad and several J.V.'s who were to play important roles in the coming campaign.

The lettermen for the 1964-65 season were: Jim Hauck, Walter Rees, Dick Orlandi, Bill Ford, Joe Rossi, Ted Hyde, Dan Nichols, Dave Murray, Larry Minnier, Jim Thomas, Tim Chase, Bill Grega, Brent Vossler, Tom Hanson, Rich Faes, Joe Sweeley, Tom Tessena, Tony Placer, Paul Hergenrother, Clark Brown, seniors; Steve Baker, Mike Taylor, and Jim Olson, juniors. The two players selected for the Allegheny Mountain Conference All Star Squad were Walter Rees, a senior left tackle, and Joe Sweeley, a senior right halfback.

VARSITY BASKETBALL

With the publication of the 1965 Nunundah, the basketball season has just started. Only three games have been played to date with the Hubbers winning one and losing two, both by narrow margins. The first loss was to Johnsonburg by a score of 49-45. Then they defeated Ridgway 47-32, and lost to St. Marys 52-51, in overtime.

Only one letterman returned from the 1963-64 squad. He is senior Tim Chase, who stands 6'2", and is the center. Other important members of the team are seniors Ed Anderson and Jim Thomas and juniors Phil Griffin, Jim Olson, Mike Taylor, and Steve Pollock.

TRACK

"Don't trip, Jim!"

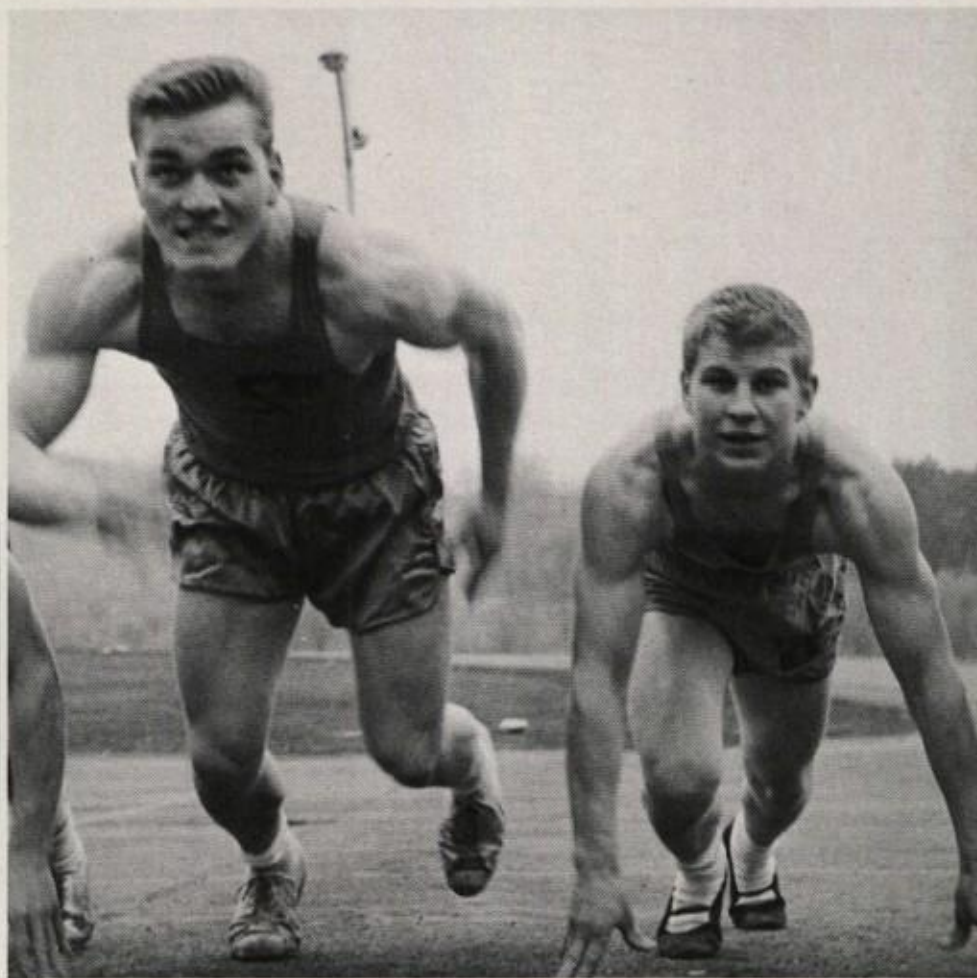

"Ready for take-off."

"On Your Mark!"

"Mr. Strable and the gang."

"I think you beat the gun, Dan."

"Big, bad Tom."

Track is the big sport in the spring of each and every year. The hopefuls come out to try their luck and the experienced members of the squad try to retain their positions on the squad. Most of the boys going out for track have lifted weights and have done exercises for months previous to the opening of practice. Such marks the opening of track season at Smethport Area High School.

The 1963-64 squad was young and lacked experience. Thus, they lost more meets than they won. This year we hope will be different. With most of last year's squad returning, the track coach, Clarence Strable, looks for a winning season. The boys are willing to prove his predictions to be true.

The Smethport track team meets such schools as: Port Allegheny, Bradford, Kane, St. Marys Public, and Elk County Christian at St. Marys. They meet schools from all parts of Northwestern Pennsylvania in the District 9 Meet. Last year the Hubbers placed fourth in the rugged competition.

A CHEERLEADERS' DIARY

They wear the colors Orange and Black,
And for pep they never lack.
You'll find a twinkle in their eye,
Whenever they see their team go by.
No matter if it's a win or not,
They get the crowd to cheer a lot.
By a wave of the hand or challenging smile,
You can't help but note their style.

At every game you'll find them there,
Without them the game 'twould be so bare.
They practice so hard for this part,
Not always outside, but from the heart.
With a spirit that comes and comes and comes,
It seems forever, and is still not done.
It's no wonder the comments we hear,
"See how good they look this year."

SCHOOL BANK

Mary Lee Raymond, Donna Armstrong.

The school bank is for the student body and facilitates the proper functioning of the various activities in their financial affairs.

It is open on Monday, Wednesday and Friday activity period. During this period, the bank handles all deposits or withdrawals for the various classes and activities.

To make a deposit the treasurer must first make a list of the amount of currency, coins, and checks. This deposit will be double-checked by Mr. Schell, Mary Lee Raymond, or Donna Armstrong. Then a deposit slip will be made out in triplicate; one for the bank's records, one for the account for which the money was deposited, and one for the treasurer's records.

When a treasurer wishes to pay a bill, he must ask for a requisition to be filled out in duplicate and signed by the advisor and the treasurer of that activity. After he returns half of the requisition, and the check is written it is signed by Mr. Schell and the Principal, Mr. Zampogna. It is then placed in the sponsor's mailbox.

Deposits are made every Thursday in the Smethport Area Joint High School Activities Account at the Hamlin Bank.

Sharing in a delightful task: Donna Armstrong, Mary Lee Raymond, Mr. Dale Schell.

The Senior High School Drama Club, under the direction of Mr. Gates, attempts to give its members training and experience in various phases of the dramatic arts. Acting, stage craft, make-up, lighting and speech are all considered, as well as the history of the theatre.

The major production this year was "The Cinderella Complex", a three act comedy by Sir Osbert Sitwell. Some sketches and assembly skits were also produced.

In addition to its theatrical ventures the club sponsors an active social program. A hay ride in the fall and a mid-winter swimming party at the Bradford "YMCA" as well as several parties helped to round out our activities.

The new policy of restricting membership to thirty-five students has proved a way of keeping our club a dedicated and hard-working group.

TRI - HI - Y

The Tri-Hi-Y is a group of high school girls dedicated "to create, maintain, and extend throughout the home, school, and community, high standards of Christian character"—the purpose of Tri-Hi-Y. All the girls try to follow the slogan: Pure thoughts, Pure words, and Pure actions. The club colors of red, white, and blue exemplify sacrifice, purity, and loyalty.

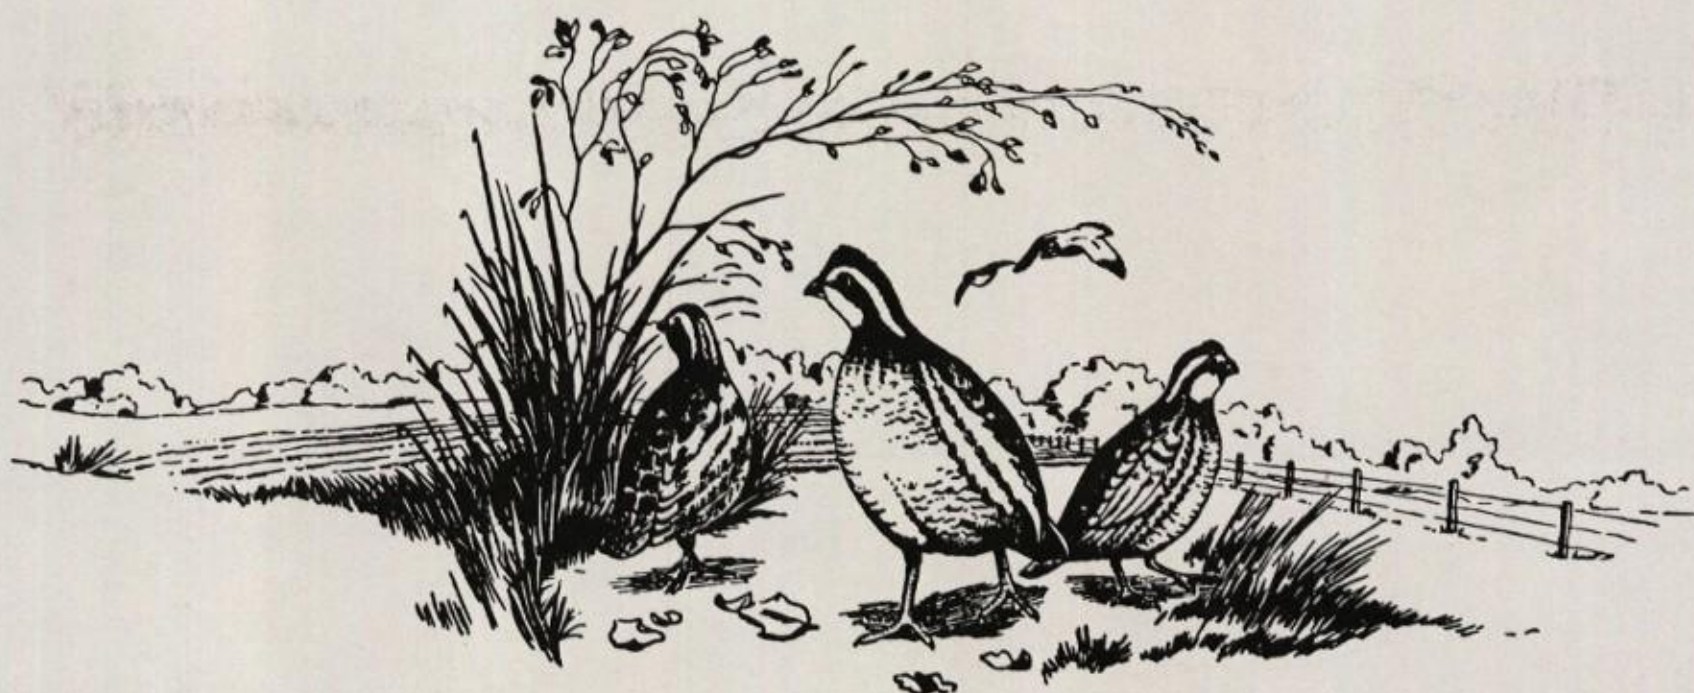

Our club this year has a larger membership than ever before. Under the capable leadership of Mrs. Lombard and officers, Cherylene Howard, Wanda Greek, Beth Ann Sayers, and Karlene Keller, it is sure to be the best yet. It takes more than a good adviser and good officers to make a fine club, it takes members who care about their club and the work it does. We all feel that this year each member strived to make their club the best.

To send our officers to Grove City College to attend the Officer's Training Conference each year we have various money-making projects. This year, we sold stationery and photo albums. During the year, we carry on service projects such as visits to the county home and our contributions to World Service. In this way, we try to live our Tri-Hi-Y purpose.

GRECIAN ODYSSEY

PRESENTED BY
ΚΛΑΣΣ ΟΦ
'65

The Class of 1965 feted last year's Seniors at a combination banquet and prom which will long be remembered.

Gold and white centerpieces and menus and napkins with Grecian motifs carried through the theme of the evening at the banquet.

A scene of breathtaking beauty greeted those later attending the prom. The deep blue of the Aegean night, rows of columns entwined with ivy, a beautiful mural of cool blues and greens with stately Grecian temples high above a white-capped ocean transported everyone to the romantic world of a Grecian terrace, a garden sequestered from everyday world. As the candles flickered on the tables, an ocean breeze could almost be felt and after the music played by Ray Arnold and his orchestra, the sounds of a gentle Grecian night could almost be heard.

The hours spent thus withdrawn on a "Grecian Odyssey" to a far-away, romantic place will remain ever in the memories of those who attended.

Newspapers make a **BIG DIFFERENCE** in people's lives -- every day

Strife erupts in some far-off trouble spot on the other side of the world. But that fact is not enough. Where? Who is fighting whom? What is the conflict about? How will it affect world tension and political maneuvering? You want — and you deserve — to know more than one flash fact. Providing the answers is a responsibility assumed by your newspaper.

Death — caused by nature's ravages or by man's hand — strikes in some part of the world. But that fact's not enough. Where? Who did what to whom? Why? How are we involved? Your newspaper provides the answers, bringing you thorough coverage, careful analysis, maps and pictures.

A siren sounds in the middle of the night. A close friend's oldest daughter is married. Your favorite team wins a football game. Death claims a man whom you have respected all of your life. Flash facts are not enough. You want — and you deserve — to know far, far more. Your newspaper assumes the important responsibility of meeting that need. This is a job done by men and women who have the experience and the know-how needed to report and edit the news, to produce and distribute an informative, entertaining and all-new product each day — your newspaper.

Because your newspaper brings you and other readers "far, far more," it makes a **BIG DIFFERENCE** in people's lives — in your life — every day.

A MESSAGE FROM OUR EDITOR

The Nunundah Staff of 1965 has completed another yearbook for the board of administration, faculty, student body, operating personnel, parents, and alumni.

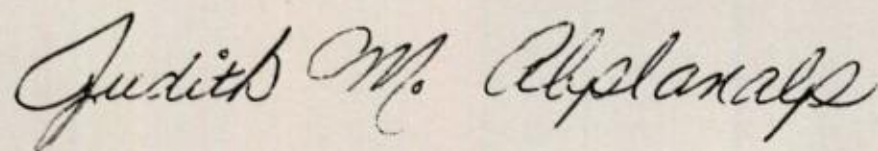

For the board of administration our book shows that through their decisions and interest we have been given many educational facilities and opportunities for gaining a high school education. Their efforts have given us many well equipped classrooms, laboratories, music and art departments, and home economics and vocational agricultural sections. They have provided courses of study for us whether we be college bound or headed for the everyday working world.

For the faculty we have tried to show the many ways their willingness to help and their active devotion have guided us as a student body toward our future paths. Their worthwhile advice has helped us overcome our many troublesome problems. We are grateful to the faculty for furthering the development of our personalities, and bringing out the best in the worst of us. Through their co-operation they have organized and helped maintain our numerous activities.

For the student body we have provided memories in this book from cover to cover, whether they be in personal contact with a teacher, a friend, an activity, or a sport. May these remembrances be always near, ever dear.

For all others who have helped in any way toward the operation, maintenance, and continuance of our high school, we are sure you will find some personal contact within the pages of this book.

I, as editor, wish to thank Mrs. Dorothy Lombard, our advisor, and the Nunundah Staff, for their splendid co-operation and hard work concerned toward the completion of this yearbook. May you be justly proud of the part you played.
